DATAFLOW

How To Make Your Application Process Easier

Make sure you are applying under the correct authority

Review the authority's requirements before applying in order to prepare the needed documents

Ensure you submit the correct documents for verification to the DataFlow Group

For more information during the application process, refer to the 'How to Apply' and 'FAQ' documents specific to the authority you are applying under

If you still have an inquiry, visit our **website** and contact our **Support Team**

You can check the status of your application at any time by clicking **here**!
