FAQs**

1. What is the DataFlow Group?

The DataFlow Group is a leading global provider of specialized Primary Source Verification (PSV) solutions, and background screening and immigration compliance services. Clients across the public and private sectors rely on the DataFlow Group to mitigate potential risk by exposing fraudulent academic degrees, employment certificates, practice licenses, work permits and passports, among other documents.

To ensure that hired professionals have the qualifications they claim, the DataFlow Group utilizes cutting-edge technologies and leverages an expansive network of over 60,000 issuing authorities throughout more than 200 countries and territories to liaise with primary sources and verify the authenticity of documents submitted by candidates, in accordance with global industry best practices and Joint Commission International (JCI) guidelines.

The DataFlow Group undertakes hundreds of thousands of immigration compliance screening and verification service transactions for professionals each year on behalf of various government, quasigovernment, regulatory and large multinational organizations worldwide.

2. Why do I need to submit my documents to the DataFlow Group?

The Health Assurance Hospitals Company (DHAMAN) has partnered with the DataFlow Group to verify the authenticity of documents presented by applicants using an advanced screening method known as PSV.

3. How do I submit my information and documents to the DataFlow Group?

You may submit your information and documents within your PSV application by visiting www.dfgateway.com.

4. What documents are required for my PSV application?

Once you are logged into your account, you will be guided at each step to provide the information and upload the required documents accordingly. Attach and submit all documents relevant to the position you are applying for - according to Annexure 1 in the '[How to Apply](#)' document.

Once done, download the Letter of Authorization (LoA) - which must be signed and uploaded - along with a copy of your passport.

5. I am a Consultant/Specialist. How many experience certificates are required for my PSV application?

You will need to submit your experience certificates covering the last five (5) years. The Verification Package for the position you applied for requires a maximum of two (2) employers. In case of more than two employers in the last five years, an additional fee per document is applicable.

6. I am a Dentist/Nurse/Medical Practitioner. How many experience certificates are required for my PSV application?

You will need to submit your experience certificates covering the last three (3) years. The Verification Package for the position you applied for requires a maximum of two (2) employers. In case of more than two employers in the last five years, an additional fee per document is applicable.

7. How do I assess the type of documents I need to include in my PSV application?

Refer to Annexure 1 in the '[How to Apply](#)' document to learn more about the documents you need to include in your PSV application. For further queries, please contact concerned officials at DHAMAN.

8. What is the process adopted by the DataFlow Group for document verification?

The DataFlow Group conducts PSV by directly approaching the education, corporate or licencing body that issued the document to confirm its authenticity.

9. What is the fee for the PSV application?

Fees vary depending on the Verification Package selected as per the position you are applying for at DHAMAN, as well as the number of additional documents that need to be verified. Fees will be displayed upon selecting the position you are applying for.

Note: The only payment fee required by the DataFlow Group is settled during the application stage. If any party claims the need for additional fees, please notify us immediately via the [Contact Us](#) page on the DataFlow Group website.

10. Can I pay for my application in cash?

We only accept online payments via credit card.

DATAFLOW

11. Should I attest/apostille my documents from the embassy in my country or from any other authority?

The DataFlow Group does not require document attestation/apostilling for PSV. Simply make sure that your document scans are clear and complete to ensure the timely processing of your application. The DataFlow Group does not require translated copies or actual original documents.

12. Is it possible to submit documents and information for verification at a later stage?

All relevant details and documents must be submitted at the time of application. Anything submitted at a later stage will be subject to additional costs and will delay your final report.

13. What is the Letter of Authorization (LoA) intended for?

The LoA is a mandatory requirement that provides permission to the DataFlow Group and DHAMAN to conduct the verification process. Kindly note that the LoA must be signed by the applicant only.

14. What is the timeframe required by the DataFlow Group to complete the verification?

The standard timeframe for completing the verification is 30 working days upon receiving the payment. However, occasionally, it may not be possible to conclude the process within this estimated timeframe due to holidays, staff absences or records being archived or misplaced by institutions.

15. What happens after the DataFlow Group has completed my PSV application?

Once your PSV application is completed, a final report will be shared with DHAMAN, and you will be notified and directed to obtain a summarized version of your result online.

Please reach out to DHAMAN for the next steps.

16. I haven't received any confirmation regarding my application submission. Please advise.

An auto generated email is sent by noreply@dataflowgroup.com once the payment is settled and the application is submitted successfully.

Alternatively, you may visit www.dfgateway.com, login using your account credentials and click on the 'Check Your Status' button.
